ABOUT US

The Association of Government Accountants Guam Chapter was chartered in 1970 with 20 individuals in finance and accounting. Our Challenges and Outlook

OPERATING IN A PANDEMIC

We were overly ambitious for our 50th year anniversary, which was celebrated during PY 2020-2021. We set a goal of attaining 50 new members, however we had difficulty including networking and social opportunities during our meetings.

Due to COVID-19 and restrictions on gatherings our meetings were held virtually, therefore we did not have an opportunity to meet in person until our end of the year picnic on June 26, 2021.

We want to continue to develop leaders through our membership base. Additionally, we will explore ways for our chapter to contribute more to National through recruitment and volunteerism in support of initiatives. We hope to grow our ties with members from neighboring islands and with chapters closest to us. We also need to look for ways to increase chapter funds.

AGA developed guidance on producing a CCR as a method to demonstrate accountability to citizens and answer the question, "Are we better off today than we were last year?" Additional details can be found at the [AGA website](#).
